

Council of Young Scientists
V.M. Gorbатов Federal Research
Center for Food Systems

INFORMATION LETTER

Dear colleagues!

We invite you to participate in XVI International scientific and practical conference of young scientists and specialists

"Food Boom: New Technologies for the Food Industry's Future"

(Moscow, September 28-29, 2023)

Conference organizers: All-Russian Research Institute of Confectionery Industry – branch of V.M. Gorbатов Federal Research Center for Food Systems, Moscow, Russia (Bldg. 3, 20, Elektrozavodskaya Str., 107023, Moscow, Russia).

We invite to participate: young scientists, postgraduate students, masters, specialists and bachelors from research universities and higher education universities of Russia and abroad at the age up to and including 36 years.

Conference aim: to discuss and exchange the latest research and hands-on results in the field of food systems.

Young Scientist Conference Awards:

- best research work in Russian;
- best research work in English;
- best poster;
- best collaborative research work

Authors of the best research works and best posters will be awarded with diplomas of the Russian Academy of Sciences or the Ministry of Science and Higher Education of the Russian Federation, V.M. Gorbатов Federal Research Center for Food Systems of RAS and with the memorable awards in three groups (academic years 2022-2023):

- Bachelors of 3rd and 4th years of study, specialists of 4th and 5th years of study and MA students;
- Postgraduate students of 1st and 2nd years of study, young scientists and specialists who are not studying postgraduate program and not PhDs;
- Postgraduate students of 3rd and 4th years of study, young scientists and specialists who are PhDs.

Official languages of the Conference are Russian and English. The electronic version of the Conference Proceedings will be placed in the scientific electronic library eLIBRARY (included in the Russian Science Citation Index database) and on the website of the Gorbатов Federal Research Center for Food Systems of RAS (<http://www.vniimp.ru>).
